Catch bicycle thieves

The Antioch and Round Lake Beach Police have partially solved the mystery of the many bicycles stolen in Antioch this spring and summer.

According to Antioch Police Lt. Tom Fisher, he was informed on Thursday, Sept. 30, by the Round Lake Beach Police Dept., that the serial number of a bicycle frame found in a Round Lake Beach garage matched one reported stolen at Ace Hardware, Antioch, at 3 p.m., on July 27.

Robert Robertson, 17, and two Round Lake Beach juveniles have been charged with that theft and also the theft of a Schwinn 10-speed bike, valued at \$200, stolen from the Ben Franklin Store, Antioch, at 2:30 p.m. on the same day.

Fisher said that he had noticed Robertson and the juveniles hanging around Antioch on July 27, later questioned Robertson's parents

and asked Round Lake Beach police to keep a check on boys who were under bicycle theft suspicion.

Questioning of Robertson's parents revealed that garage that was full of bicycle parts housed "parts that were swapped with friends."

Fisher said that, under questioning, Robertson and the juveniles admitted involvement in the thefts. The two juveniles have been charged with the bicycle thefts, one with one count and the other with two counts.

Robertson, who was reportedly with the juveniles at the time of the thefts, and later purchased the stolen bicycles from them, was charged with theft and the possession of the stolen bicycles.

All three are scheduled to appear in Lake County Court in Fox Lake on Oct. 13.

Parole revoked

Hartog gets 2½ years

When 20-year-old Kenneth Hartog of Trevor was found guilty of reckless homicide in the traffic death of Anne Helene Kugler a year ago, he was sentenced to spend 20 weekends in jail. He served that sentence and was released on probation in spring of this year.

On Thursday, Sept. 30, Lake County Circuit Court Judge William Block sentenced Hartog to an additional two and one-half years in the Illinois Dept. of Corrections for violating that probation.

The maximum sentence Hartog could have received was three years.

Hartog was charged with probation violation when he was arrested for being in a bar in Antioch just a few weeks after his sentence was up in April of this year.

At Hartog's sentencing hearing on the

probation violation, further testimony that Hartog had also been arrested in Antioch for transportation of an open intoxicant in a vehicle, on Sept. 10, was used by Assistant States' Atty. Matt Chancey as an additional reason for the revocation of the 20-year-old's parole.

At press time Hartog was still in the Lake County Jail awaiting a decision from the diagnostic center in Joliet as to the correctional facility in which he would serve his sentence.

Hartog was the driver of the truck that struck Kugler, an Antioch High School teacher, as she was jogging on North Ave. in Antioch, in the early morning hours.

At the time, Hartog told the police he had been drinking and smoking marijuana hours before the accident.

Western Auto empty

New look for part of business community

by GLORIA DAVIS

It isn't too often that nine businesses at one intersection, either disappear or are replaced inside of a two-year time frame in a small village like Antioch.

But that just may be the case as far as the two northern corners at the intersection of Rtes. 173 and 59 are concerned.

Three long term businesses, Smiley's Tavern, Behning's Auto Parts and Lakes Tile Co. have already been bulldozed down to make way for the spring coming of Jewel-Osco. And that same fate awaits Don's Drive-In, which has already been vacated. Kentucky Fried Chicken, Sunshine Laundromat and Beirman's Liquors will be torn down when lease agreements have been satisfied, to be replaced by Jewel's parking lot.

On the northeast corner, where the merchandise of Candlelight Galleries glistened in the windows to disappear almost overnight, White Hen Pantry now vends its wares and within the last week another commercial mystery has aroused the curiosity of Antioch's residents.

After celebrating its 12th anniversary and running a little-heralded storewide sale that offered big discounts on all its merchandise, the building housing Western Auto appears to be completely empty.

Small signs on the window announce that the business is closed for inventory but the lady who was mopping the floor of a completely empty showroom, on Thursday, Sept. 30, would make no comment as to whether the store was temporarily or permanently closed.

The store's manager, Dave Bishoff, who was on the premises also refused to comment on the situation. But earlier in the week Bishoff did say that the business would possibly be changing its affiliation, disposing of some of the lines that were being carried and adding others.

The Chamber office and the people in the village hall were also unable to confirm or deny any of the many rumors that are afloat about Western Auto's future.

So by the time that spring 1983 bursts on

the Antioch scene, a good portion of Antioch's commercial community will have taken on a completely new look.

Lions' Candy Day set for Oct. 8, 9

The candy is ordered, the volunteers are being signed up, the plans are drawn, and the Antioch Lions are ready to go.

Paul Maginot of The Maginot Funeral Home, 532 Lake St., Antioch, has been named general chairman of the candy day campaign. He will be assisted by Lions Bill Yucus and Bob Lasco.

"We're planning on one of the best candy days Illinois has seen since the start of candy day in 1952," Maginot said.

Candy day is held statewide by 33,000 Lions from more than 670 clubs throughout Illinois. The Lions Candy Day campaign in Antioch will be held this year on Friday, Oct. 8, from noon until 6 p.m. and on Saturday, Oct. 9, from 8 a.m. until noon.

Locally, 150 people will be volunteering time to distribute candy to workers, collect canisters, run errands, and give away candy and accept donations.

The Antioch Lions Club goal is \$5,000. The statewide goal this year is \$1.2 million to fund a variety of humanitarian projects to help the blind, visually impaired, deaf, and hearing impaired.

"Now, more than ever, it is time for the voluntary sector to pitch in, give generously, and make sure that services are available to those afflicted with vision or hearing impairments," said Jay Dziki, president of the Antioch Lions Club.

"Candy Day is a team effort," said Dziki, "it involves not only the Lions and the volunteers, but also everyone in the community. Together we can make a difference."

Teachers wait to hear from board

Peg Zurek, president of the Antioch Federation of Teachers, reported that 48 of the 78 grade school teachers from the Antioch Grade School met on Wednesday, Sept. 29, and voted to do nothing until they hear from the grade school board.

Zurek said on Friday, Oct. 1, that as of then the teachers had not received the individual letters that Antioch Grade School Supt. Don Skidmore had said would be sent to the teachers inviting them to a meeting for negotiation explanations.

The teachers, who agreed to, but did not ratify the 1982-83 contract giving them a four percent salary increase but cutting down on their insurance and sick leave benefits are in a quiet rebellion stemming from information that non-certified personnel received a six percent salary increase. Reports say that the fact the salaries of administration are

higher than either the certified or non-certified personnel is another sore point.

Skidmore claimed that the board's position of financial stress based on the total amount of available funds was a true one and the four percent teacher raise was equal to the six percent non-teaching staff raise because of the lower salary base of the latter.

Garnet Cook, board president, said that no final board decision has been made on the teachers' request for the re-opening of the negotiations. She added that at the present time she did not see the board changing its stand on the contract that the board has already ratified.

Both sides seem open to discussion but the board still stands on its previous decision while a teachers' strike is still a future option.

Haley's trial date Oct. 12

William Haley, 41, Antioch, is scheduled to appear in a West Palm Beach Felony Court for a calendar call, on Friday, Oct. 8, on charges of trafficking in marijuana.

According to a representative of Florida States' Atty. Maurice Hall's office, if the defense and prosecution are both ready for trial it will take place on Tuesday, Oct. 12.

The Haley trial situation was at this same point in June when his attorney asked for a continuation because he could not make the scheduled trial date.

Haley was charged with transporting and dealing in marijuana after a plane owned by William Zeigler, Round Lake, was confiscated in April 1981 with \$476,000 worth of marijuana aboard.

The two men aboard the plane when it was confiscated by drug authorities, Robert Hoffman, 34, Lake Villa, and Woodrow Wilson, 29, Colo., claimed that Haley had hired them to deliver the drugs to the West Palm Beach Airport.

TAX FREE!

Insured Savings Certificates

THE COUNTDOWN HAS BEGUN ON THE ALL SAVER CERTIFICATE . . . The one-time federal program designed to provide tax exempt interest income to savers with a minimum deposit of \$500. The deadline for investment in all savers certificates is DECEMBER 31, 1982.

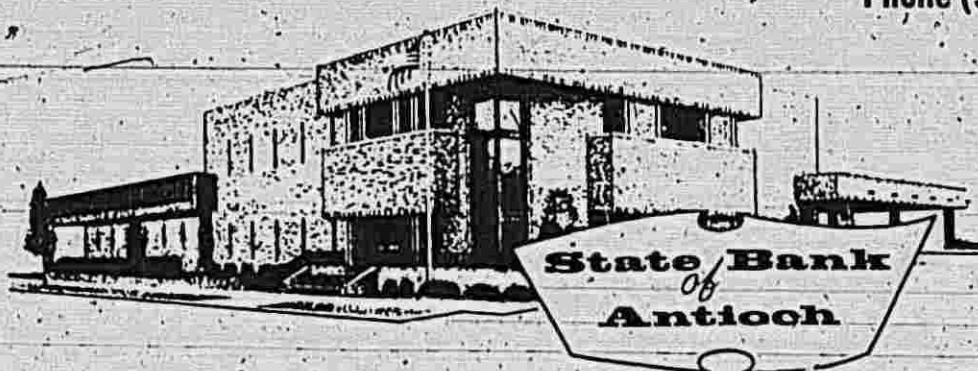

All saver certificates appeal not only to those in the higher tax brackets, but also offer an attractive yield for those with a small investment of \$500 for a short period of one year fully insured up to \$100,000 by FDIC.

If you have not fully funded your all saver account to the limit (tax exclusion of \$1,000 interest income for people filing singly; \$2,000 for couples filing jointly) you have until December 31st to review the advantages of a tax-free yield in your federal income bracket. Example: For a couple in the 33 percent tax bracket (earning \$29,900 to \$35,200) an 8.15% current tax-free rate is equivalent to a before-tax yield of 12.15% on a taxable instrument.

News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

The Time Machine

FIFTY YEARS AGO: Oct. 6, 1932

Antioch High School held what was termed in the News, the greatest country fair in history.

The Bethke Tavern and the Foster Blacksmith Shop, both in Trevor, were destroyed by fire.

The News ran an editorial that said that "a serious responsibility rests with parents whose sons and daughters, under the age of 20, drive automobiles." Nineteen out of 1,000 drivers under the age of 20 were involved in accidents the previous year throughout the nation.

The Chicago Cubs were in the world series that year playing against the New York Yankees, Guy Bush pitching the opening game for the Cubs.

Blumberg's, Waukegan, ran an advertisement selling a matching sofa and chair for \$79.50.

THIRTY YEARS AGO: Oct. 2, 1952

Antioch High School played Grant for homecoming and Mary Fields was homecoming queen.

The News raised its yearly subscription rate. A year's subscription to the News had remained at \$2 for over 20 years.

Wages, prices and the national income were higher than ever before in history.

Marlene Wertz was installed as the Worthy Advisor of the Order of the Rainbow Girls at the Masonic Temple.

Rent controls continued in Lake County despite the wishes of most villages.

Powles Food Store was advertising sirloin and porterhouse steak at \$1 per pound.

TEN YEARS AGO: Oct. 4, 1972

Bill Brook was the recipient of the Ella Award given annually for the outstanding contribution to the Lake County Republican Party.

The Antioch schools were faced with increased enrollments brought on by the many real estate developments on the area's drawing boards.

A village ordinance forbidding the riding of bicycles in the business areas of Antioch was lifted and bicyclists were permitted to ride their bikes through the streets of the shopping area.

Antioch High School Superintendent Warren Polley got an "overall look at his problems when he took a ride over the school in Zion's new snorkel unit."

When I think about it

Demand for rights not always right

by GLORIA DAVIS

Most people agree that those early Americans had a good idea when they came up with the Bill of Rights.

But with the progression of democracy one can't help but wonder if the current demands for "basic human rights" haven't gotten a little out of hand.

Some might define "human rights" as man's equal chance to develop potential, but many of the perpetrators of this modern definition seem to have forgotten a basic requisite that calls for the earning of many of these rights.

And there are those who consider breathing and being the only prerequisite.

Among some of these definitive errors are those that start early with today's children demanding many rights that would result in privileges beyond their handling capabilities.

I'm speaking of the many demands of minors that would overrule parental judgement. Some of these ridiculous claims have even found their way into our court system, calling for rulings that give children command over their parents. This is not to be confused with parents giving children's wishes deserved and proper consideration.

There are those that put the 18-year-old drinking question in this category using the

statistically proven abuse of that right to eliminate it from the list of rights given by the age of majority.

Then we have unions, whose members have agreed to work for a certain wage, suddenly demanding a cut of the employer's new found profits. Isn't it strange that, with all the demands for fairness flying all over the place, one seldom reads about employees asking for a cut in wages during a profit loss.

Where is the fairness when an employee wants a cut of the profits without making any financial investment? Isn't receiving ample pay for a job well done a just result of any hiring agreement?

All these demands are being justified as a call for human rights.

The recent outlandish demands of our sports figures, awhile back the baseball players and presently the gridiron stars, seem to fall under this call for human rights.

Many think if the owners give in to these outrageous demands, demands that are in no way justified by even the best athletic performance, they will be making a foolish and maybe dangerous concession.

Could these concessions eventually put our national sports into the same dire financial position as many claim union demands have helped put both the auto and building industries?

Along the way with ANNIE MAE

Did you notice the beautiful Indian Summer weather we had on Wednesday and Thursday of last week? What did Annie Mae tell you? I knew our Sequoia heritage wouldn't let us down.

I see where PFC Howell Fox, son of Herbert and Francis Howell is now on duty in Okinawa with the 9th marines as a radio communications specialist.

Speaking of nephews of Uncle Sam, I also heard that Airman William J. Wheatley, son of Lily R. and stepson of Dennis Wagner, Antioch, has completed his Air Force basic training at Lackland Air Force Base, Tex. He will remain at Lackland for specialized training in the security police field.

I received news about a couple of former Antioch High School athletes. Mark Williams, son of Rev. and Mrs. Steve Williams, who is a defensive end on North Central College's football team, will be out for the rest of the season after undergoing corrective knee surgery.

It seems that Mark was injured in practice prior to the Cardinal's second game of the season which they won against Wheaton, 27-22. North Central college is in Naperville.

And Darci Krahn has made the Monmouth College, Monmouth, volleyball team. The team, the Lady Scots, had an at-large berth in last year's state tourney.

I noticed the remodeling being done at the Windjammer Restaurant while attending the Chamber of Commerce's small business seminar last week.

Looking good, even to the addition of the patio outside of the glass doors.

Bob Berg called to tell me that he has a guest at his home. It seems he found a small well-kept collie. Anyone missing such an animal might call (312) 395-0921 and see if the dog has been claimed.

An event that is growing in popularity is the house bazaar, where a number of crafters work on a huge variety of items

most of the year. They then display their crafts for sale in a store-like manner in one of the crafter's homes and open the home to the public.

This production takes a lot of talented people and months of organization.

Char Crippen and Judy Bartelson of Antioch will be participating in such a bazaar on Oct. 9 and 10 from 9 a.m. to 6 p.m. at 2311 Carriage Lane in Lindenhurst.

Every imaginable craft will be represented from 45 different crafters.

Fred Skvarce tells me that the Antioch Jaycee's Haunted House starts on Friday, Oct. 22 and will run until Oct. 31, from 7 to 10 p.m. on weekdays and from 7 to 12 p.m. on weekends.

Next was Clayton Whitman in 44th, Marc Wacki in 53rd, Chris Zien in 55th and Calvin Knutsen in 56th.

Antioch Vikes beat McHenry

The Antioch Viking Heavyweights scuttled the McHenry Hornets, 43-12, on Sunday, Oct. 3. Antioch took the opening kick-off and marched 54 yards in seven plays, with Lance Bestland going 12 yards off tackle for the first touchdown. Antioch lead all the way from that point on.

In the second quarter Antioch scored again on a one yard plunge by Bestland after a 60 yard drive. They did it again when Brian Pankauskas ran around end for a 29 yard touchdown.

Antioch's fourth score came when Quarterback Mike DoBosh intercepted a McHenry pass and two plays later threw a 40 yard touchdown pass to try Schroeder who went over for six more points. At half time the score was 24-6, with Antioch on top.

Both teams scored in the third quarter. Pankauskas swept 22 yards around end for the touchdown and the extra point was made good when DoBosh completed a pass to Pankauskas.

Antioch's next two touchdowns came in the fourth quarter; one on a 30 yard pass from DoBosh to Schroeder and the other on a 20 yard pitch to Bestland who swept the right end. Both extra point-tries were no good.

On the same day, the Viking Lightweights took the Hornets, 20-6. Dan Adams

handed off to Vince Walsh for the first touchdown, with Damen Horn adding two points with a good extra point kick. Antioch's second touchdown came after McHenry scored when Vince Walsh ran the ball back from the kick-off for a 45 yard score. The Vikings scored again with only 30 seconds left on a pass from Adams to Horn, making the final score 20-6.

In Viking featherweight action, the Eagles skunked the Warriors, 50-13 with Eric Fahner, Bobby Wons, Tim Sandrik, Greg Hanson, Ed Esser, Fred Locher, Mike Buchta, Wayne Puller, Doug Comorato and Craig Askew doing outstanding jobs.

The Raiders edged the Buccaneers, 7-0, with Jason Gutke scoring for the Raiders and Bob Sykes intercepting for the Bucs.

The Falcons edged the Seahawks, 7-0, a pass from Gene Herbert to Tim Hanran accounting for the game's only touchdown. Outstanding plays were made by Kris Toth, Jarod Fogel, Doug Graf, Dave Fabry, Tom Velekis and Tom Stack.

Field hockey loses to Barrington

On Wednesday, Sept. 29, the Antioch High School varsity field hockey team suffered a 1-0 loss to Barrington. Barrington scored about halfway through the first half to take

a 1-0 lead. Antioch dominated the rest of the game but were unable to take advantage of numerous opportunities to score.

The domination by Antioch

was clearly evident because they had 14 shots on a goal to two for Barrington. The loss was the third for Antioch bringing their total season record to 1-3-2.

Members of the 1982 var-

sity team are: Wanda Bock, Tammy Darland, Kim Eves, Sigrid Ferstl, Lenore Frydrychowicz, Donna

Gutowski, Liz Heffernan, Charlotte Jacobsen, Dawn Johnson, Kim Nicholl, Sharon Risch, Mary

Rudolph, Linda Stafford, Margaret Trychta, Wendy Vos and Manager Sandy Martys.

Girl runners fly to first at Warren

Antioch's girls cross-country team continued its winning ways this past week, defeating Grayslake in a dual meet and running to a first place finish at the 16 team Warren Invitational.

In the dual meet junior Beth Garland ran to a third place finish in a time of 13:41 for the two mile.

Following Garland in the chute was freshman Lori Ruggle in fourth, sophomore Beth Murray, fifth, sophomore Michelle Mitchen in sixth, junior Julie Ott in seventh, senior Patti Friedman in eighth and senior Dawn Wacki in ninth.

THE FINAL race was 25-36.

Next to finish was Chris Eberman in 12th, Wendy Wells in 13th, Nadine Meyers in 14th, Amy Kandziora in 15th, Laura Rymut in 16th, Zora Greic in 17th, Barb Olander in 18th, Rhonda Fowlkes in 19th, Tracy Borla in 21st, and Laura Mattson in 22nd.

In the Warren Invitational, the Antioch girls edged out second place Crown by a score of 42-44.

Wauconda girls finished third at 124 points.

LEADING THE Sequoits was Donna Ruggles in second place, Beth Garland in sixth, Michelle Mitchen in ninth, Patti Friedman in 12th, Lori Ruggles in 13th, Julie Ott in 34th and Dawn Wacki in 38th.

In the open race the Antioch girls again dominated with Renee Starcevic finishing in first and fresh-

man Chris Eberman finishing in second. Wendy Wells finished in fourth, Amy Kandziora in eighth and Nadine Meyers in ninth.

The girls have a dual meet record of 6-0 and have finished first in three invitational.

Next meet is Thursday, Sept. 30 at Warren and Saturday at the Grant-Crystal Lake Invitational.

MARK WILLIAMS

Mark Williams injured

North Central College defensive end Mark Williams will miss the remainder of the Cardinals' 1982 football season after undergoing surgery to repair a damaged knee.

Williams, a 6-foot-2, 208-pound sophomore who played prep football for Coach Steve Wapon at Antioch High School, was injured in practice prior to the Cardinals' second game of the season, a 27-22 win against Wheaton.

Williams is the son of the Rev. and Mrs. Stephen Williams of 842 Main St., Antioch.

He is majoring in education at the 1,400-student, independent liberal arts college.

Illinois Bell closes Antioch service center

Illinois Bell has announced that it will consolidate 22 suburban and northern

Illinois Service Centers including the Antioch location.

The move is being made in an effort to hold the line on the cost of providing service and to operate more efficiently.

In February, customers' records maintained at the Antioch Residence Service Center, 484 Orchard, will be transferred to 2000 Lewis, Waukegan. In September, the Waukegan office will become one of the four Residence Telephone Order Centers that will serve customers who want to order residence service or add to or change their existing service. Other locations are Bridgeview, Downers Grove

and Hoffman Estates.

Customers who want to get information about their bills, to ask about charges on their bills, or to order directories will be served by four residence account service centers in Arlington Heights, Aurora, Bridgeview and Rockford.

At the time of change, customers will be instructed, through bill inserts, to dial one toll-free number when ordering telephone service and a second toll-free number when they have a question about their bills. Phone bills will list the two separate numbers.

Bell System trials of the split offices took place in Salt

Lake City, Utah; Birmingham, Ala., and East Bronx, N.Y. and feedback was positive from both employees and customers, according to Dick Miller, manager of the Antioch Residence Service Center.

"There is potential for better service," he said, "because of specialized knowledge of each service

representative. The larger work groups will provide greater flexibility during peak business hours, lunch hours and vacation periods."

Miller said that Illinois Bell has carefully considered the impact of these changes on employees. Prior to each consolidation, each employee will be individually interviewed to discuss op-

tions that best serve both employee and company needs.

"To insure a smooth transition a team of employees from the combined offices will review and recommend procedures to maintain orderly work flow and service to customers during and after the change," said Miller.

Plan spring clinic

The Illinois High School Baseball Coaches Assn. (IHSBCA) will be holding its 22nd annual baseball clinic and seventh annual girls' softball clinic on Feb. 5, 1983 at Thornton Township High School in Harvey.

The clinic's speaker lineup has not yet been finalized.

All coaches from colleges, high schools and community programs are invited.

Gas bills to climb 32 percent by 1984

by GLORIA DAVIS

Interested Antioch businessmen heard John Orso, District Supervisor of Northern Illinois Gas, predict that the cost of heating with natural gas in the northern Illinois area, will go up 15 to 20 percent by the end of 1983 and an additional 12 percent in 1984.

But even with these increases, he claimed the natural gas would still remain the cheapest way of heating. Orso spoke at the third small business seminar sponsored by the Antioch Chamber of Commerce and Industry. The luncheon seminar was held at the Windjammer Restaurant on Tuesday, Sept. 28.

He also gave a slide presentation on the cost of utilities, adding many suggestions on

money saving energy conservation.

During his talk he pointed out that, though many people are blaming distribution companies such as the one he represents for the high utility bills, as far as natural gas is concerned, there are three cost incurring segments involved, the producer, the pipeline and the distributor.

According to Orso the price of natural gas in Illinois has only had three general rate increases since 1954, the latest being just a month ago.

Among the many energy saving tips offered by the utility companies, Orso urged home energy audits, buying new appliances that are energy efficient and properly maintaining presently owned appliances to keep their operating costs down.

INSIGHT INTO EYESIGHT

Dr. R. A. Sona,

OPTOMETRIST

A LAYER OF TEARS

A layer of tears is the only barrier between your eyes and contact lenses. And it's not because you're crying. It's just the natural moisture of the eye doing what nature intended: keeping your eyes moist.

Contact lenses float on this thin, moist layer of tears in position over the cornea (or window) of the eye. The tears supply oxygen to the corneal tissue. Every time you blink, a fresh supply of tears flows through.

Today's contact lenses are made of a very thin, light plastic that creates hardly any pressure at all. It's a feather-light lens that knows its place.

Contact lenses have to be properly fitted so they will be both comfortable and healthy for your eyes. And the prescription for vision correction has to be accurate to give your eyes the help they need.

Both your eyes and your contact lenses should be checked regularly by your eye specialist to make sure they're as comfortable and as effective as they should be.

11 join Moose Women

The Antioch Chapter of the Women of the Moose enrolled the largest number of new co-workers in many years. Eleven members joined at the Sept. 2 meeting in honor of the publicity committee and Chairman Barbara Miller.

Co-workers enrolled were

Frances Lech sponsored by Ann Byczek; Peggy Page, Kim Martin and Gloria Learmont, sponsored by Judy Page; Sue Plett and Pat Kuenhold sponsored by Norma Lowe; Cindy Martin and Kim Carter sponsored by Mavis Dingsdale; Debbie Ramsey sponsored by Louise Gutowski; Sandy

Patterson and Nancy Heimbrodt sponsored by Donna Anderson; and Jeanne Holbek sponsored by Marie Vos.

During the meeting Senior Regent Marge Hansen announced that co-workers would be attending the Loyal Order and Women of the Moose Annual Convention in Peoria on Oct. 1, 2 and 3 and that Junior Graduate Regent Terry Smallwood would be receiving her Green Cap in October, signifying the chapter's successful 1981-82 year.

The hospital and publicity committees are busy with projects for their Christmas bazaar and bake sale to be held on Nov. 19 and 26 during the fish fry.

Forty-two co-workers attended the Sept. 16 business meeting when Lolly Maloney was named co-worker of the month by the chapter.

Refreshments were served after both meetings by Chairman Barbara Miller and the publicity committee. The next meeting will be held on Oct. 7 and 21 at 8 p.m., at the Moose Lodge.

SANDRA LINDBERG

'Comedy of Errors' one night only

William Shakespeare's "Comedy of Errors" will be featured on the Antioch Community High School stage Friday night, Oct. 8, at 8 p.m. for one performance only by the Shakespeare Festival of Chicago.

"The Comedy of Errors" is believed to be Shakespeare's earliest play and is certainly his most farcical comedy. The story deals with the mistakes and "errors" which occur when two sets of identical twins cross paths in ancient Greece. Add a jealous wife and sons, a motley collection of merchants, jailers and courtesans and the result is the broadest of farces.

The production will be directed by the artistic director of the Shakespeare Festival of Chicago, Rod Ceballos and will feature members of the Shakespeare Festival of Chicago's acting ensemble: Richard Kuhlman, Mitch Webb, Molly Landgraf and Elizabeth Kelly.

Of special interest to local theatre-goers is the return of Sandra Lindberg to the Antioch stage. Lindberg appeared in two major productions on the high school stage: as Katherine in "The Taming of the Shrew" and as Mrs. Malloy in "Hello Dolly;" she also appeared as a nun in PM&L's production of "The Sound of Music."

Sandra attended Illinois State University where she received a master's degree in theatre and has, since her graduation, been working the theatres in Chicago and, most recently, Tampa, Fla.

Tickets for this production, which is a fund raiser for the local high school ac-

tors, are available from ACHS drama students or at the door the night of the performance. Adult tickets are \$2.50 and students and senior citizen tickets are \$1.50.

There were 161 members and eight guests in attendance at the meeting of Antioch Chapter NO. 387 American Association of Retired Persons (AARP) on Sept. 28.

Five new members were introduced by Chapter President Ruth Rynders. Antioch Chapter now boasts a membership of 289. When the total of 300 is reached membership will be closed.

Esther Aiani, assistant state director of Area V, reported on the Area V meeting she attended in Kalamazoo, Mich. The merger of NRTA with AARP

Plans in full swing For 'Footlights' benefit

St. Peter Catholic Church, Antioch, announces that plans are now in full swing for the spectacular benefit entertainment extravaganza, "Footlights '82", to be presented the evenings of Nov. 4, 5 and 6.

A single admission ticket will entitle participants to enter each of the nine separate showrooms, restaurants and entertainment centers throughout the transformed classrooms, gymnasium and science lab of St. Peter School. The premiere performances of "Footlights" promises to be just the start of something big for St. Peter Parish.

Two main restaurants, "Unter Den Linden" — a Bavarian style beer garden offering authentic German cuisine and music — and "Calamity's Saloon" — complete with its Old West fare and dance hall girls, will offer patrons a fine selection of foods and beverages along with continuous mood music and entertainment.

Participants can make their own salad creation in the main show lounge "The Palace" while enjoying a first rate musical revue under the direction of Ken Smouse.

Area residents won't want to miss the ad-

ministration and staff of St. Peter in their very own production of "Bored of Education" (complete with a chorus line), nor the old-fashioned melodrama "The Widow's Plight", to be presented by Tom Hausman and the PM&L Theatre Group.

In between all of this, participants may want to stop in "Kelly's Pub", "M*A*S*H", or "Country I - Havin' a Good Time" for lots of singing, dancing, and comedy skits or to partake of some in-house specialties such as potato skins and egg rolls, Irish coffee and hot apple cider.

Admission tickets (Thursday, Nov. 4, — \$5 in advance, \$7 at door; Friday/Saturday, Nov. 5/6, \$7 in advance/\$9 at door) are on sale now at St. Peter Rectory, School and at "Footlights" ticket booths after all Masses, and also at Antioch Savings & Loan, First Bank and State Bank. The doors will open on each evening at 7 p.m.

All proceeds from "Footlights" will benefit St. Peter Parish.

For further information or to purchase tickets by mail, call St. Peter Rectory at (312)395-0274.

Aiani attends area meeting

will bring new talent and excellent prospects for future officers of the organization. Aiani emphasized the importance of membership cooperation which is necessary for a successful and progressive organization.

Al Courtois, program chairman, announced that the Christmas Party will be held on Dec. 14 at the Windjammer Restaurant. Glenn Petersen and John Babic sold tickets for the trip to Chicago on Nov. 12. There will be two buses going to the Museum of Science and Industry with lunch at Chinatown. A few tickets are still available.

Since this was a social meeting, no business was

conducted. Patricia Boe and Ralph Gaul, Red Cross Representatives, showed a short film on the founding of the Red Cross. They told members of the need for volunteers in the Blood Service program. Afterwards, members enjoyed playing Bingo.

Next meeting will be on Oct. 12. Coffee and cake will be served.

CHIPPED TOOTH REPAIR

Q: Recently, I chipped one of my front top teeth. Is there any way to fix it without drastic filing and capping?

A: You're in luck! A new composite material bonds to flawed teeth so miraculously, they look new and perfect. It can restore teeth to whiteness when they've turned dark from a dead nerve, been stained by excessive fluoride or antibiotics, or been damaged by an accident. The material won't darken or turn yellow, and its texture can be thinned or thickened to fit the particular type of repair needed.

This new tooth repair technique can usually be accomplished in just one office visit and it is inexpensive. Because it is still only a few years old, no one knows how long the new material will hold up under normal wear and tear. Meanwhile, it can save good teeth from capping and work cosmetic magic.
